UNIFORM: Now that the warm weather has arrived please remember that students must adhere to the HWCDSB uniform policy. If students choose to wear shorts they **must be walking shorts**. Please remember that students go out daily for DPA (Daily Physical Activity) and so only shoes that are safe to run in are acceptable. Often the mornings are cooler and students arrive wearing jackets or sweaters that end up on the ground during recesses. It is extra important to label all clothing items so that they make their way back to you.
