Health & Safety	<p>Shared that the meeting with school PHN to discuss protocols and answer questions regarding COVID health &amp; safety at school went well. She is positive and available for support when Mrs. Cino has questions that arise on behalf of student and staff safety.</p> <p>Protocols for school Safety that student have been taught since September which include: Social Distancing, Masks and Hand Hygiene. Students were taught the importance of each of the three key protocols.</p> <ul style="list-style-type: none"> <li>- Social Distancing – keeping 2m apart in particular on the playground when not</li> </ul>	<p>Virtual school assembly to students on Friday, regarding Student Expectations and the Virtue of Justice for October</p> <p>Issues from staff include students wearing masks below the nose; some sharing of food during Nutrition Break. These to be addressed at the virtual assembly and morning announcements.</p>

	<p>masked. Common words heard are “Spread Out”</p> <ul style="list-style-type: none"> <li>- Mask – how to wear properly, worn when we cannot be 2m apart; and breaks include eating and time outdoors. Message to students is that my mask protects you and your mask protects us. The concept of working together is emphasized</li> <li>- Hand Hygiene, students taught how to wash hands properly with soap and water and how to sanitize properly. All students and staff must sanitize each time they come in/out of the class</li> </ul> <p>Students have shown positive response to our new protocols for safety.</p>
