Tuesday, December 1, 2020

Present: G. Cino, C. Kocel, T. Grzicic, D. Fiorino, M. Macri, T. Herrera, A. Staszko, R. Noto-Fuca, M. Alfieri
Regrets: M. Udezue

1. Principal & Vice Principal Report

A. Health & Safety:

- Ongoing reminders about H&S and Covid-19 protocols – masks, sanitizer, social distancing
- November 30 school community given notice of two unrelated positive cases –
November 12 – no impact on school community
November 30 – cohort impacted - isolated
- Check-ins were done with staff and families
- Isolated areas were deep-cleaned – H&S Manager was present for support and to answer questions
- Important to continue best safety practices
- Grateful to the parent community for their honesty and transparency

B. Virtual Interviews

- Good feedback from parents – appreciated the gesture and process was well done; any factors that would have impeded the process before were not there (i.e. parking, late interviews)
- Good feedback from Teachers – Ran smoothly, more efficient process

C. School Readiness for Virtual Learning:

- LMS and Teams training available for staff and parents
- Building in Synchronous Learning
- Self-Assessment completed by staff to determine readiness and needs
- Must be prepared for any scenario

- Device readiness – we have done an inventory of devices, although we do not have enough devices for each student, we will have enough for students who do need technology
- Suggestion from T. Herrera – Make sure that the Teams App is downloaded to your device
